MEMORANDUM FOR: Assistant Deputy Director (Administration)
FROM: Chief, Office of General Services
SUBJECT: Storage Space for Archives Material

1. You will recall that Mr. Wolf suggested possible use of a part of the [] as an Agency record center.

2. We have advised the Office of Procurement and Supply informally, as we have advised Mr. Wolf, that the operation of a record center at [] would be impracticable from a standpoint of time. I recommend the use of either a part of the [] Warehouse, or the [] Building which we will show you on Tuesday, March 10. Either of these buildings would be a satisfactory compromise to construction of a records center at [] which would, of course, be the ideal solution.
